Dear Mr. Simonson:

The Rocky Flats Scientific Panel on Monitoring Systems has completed a draft report of the recommendations it will send to Governor Roy Romer in March, 1990. A copy of this draft report is enclosed for technical review.

Your comments on the technical issues addressed in this report are requested. As the Panel will need to review all comments at its next meeting to be held Wednesday, February 21, it is imperative that comments are received in our office by Thursday, February 15. The panel's mailing address is 1536 Cole Blvd., Suite 150, Golden, CO 80401.

Sincerely,

John Bagby/GW
